Table 1. Council contacts for litter removal within the Merri Creek Catchment during COVID restrictions. From 1 February 2021 until further notice. To be kept up to date of current COVID restrictions and advise go to: <https://www.coronavirus.vic.gov.au/>

Municipality	Council contact for organising litter removal, website links	Will council be able to pick up litter from clean up sites during COVID restrictions?	Can community clean ups separate Recyclables from other Waste in order for Council to recycle? Y/N?
City of Whittlesea	Resource Recovery Officer, Jocelyn Harte 9401 0579 What to put in your recycling bin	Contact council directly before your event.	Yes. Please use the Clean Up Australia Day yellow bags for recycling and the white bags or hessian bags for non-recyclables. Council re-use the yellow recycling bags where possible.
City of Darebin	Environment Support Officer, Environment.Support@darebin.vic.gov.au , 8470 8556 What can and can't be recycled	Yes. If it is a small amount (1 x large bag) please take it home and separate yourself, If more than 1 x large bag you can organise a pick up. Please email the Environment Support Officer with the following: "we have completed a community clean up, here is the exact location of our bags of rubbish". Leave rubbish near a road/street that a truck can access it and be clearly seen. Attach a photo to the email so the truck driver knows what to look for.	No. Residents can separate the recyclables and either recycle them at home or drop off for free at the Darebin Resource Recovery Centre .
City of Moreland	Please use the online form on the Community Litter Collection page of Council's website to provide the Street Cleansing team with details on the clean-up date, time and location, where the litter	Yes. If it is a small amount (1 x large bag) please take it home and separate yourself, If more than 1 x large bag you can organise a pick up here: https://www.moreland.vic.gov.au/envirom	No. Litter Clean Up organisers to take home any items that can be recycled and add into your own bin.
